A healing workplace is one that goes one step further than creating an environment where we can question, experiment, innovate and fail. A healing workplace additionally creates an environment where it's OK to be a human being who functions, in part, on the emotional level. Feelings are part of us. They are not taboo. Are you still with me?

A Place of Healing -- Life Coaching and Healing Center

A Place of Healing is Joni's look at suffering in light of God's sovereignty and goodness. If you are unfamiliar with Joni, she is a quadriplegic who has been used by God to minister to many since her diving accident led to her paralysis. As I was struggling with this issue I wanted to hear counsel from someone who had endured suffering.
