Over the past two centuries, the relationship between black people and Mormonism has a history that includes both official and unofficial discrimination, but more recently it has become one of increased outreach and involvement. Since the earliest decade of the church, Black Mormons have been members of The Church of Jesus Christ of Latter-day Saints (LDS Church).

**Black people and Mormonism - Wikipedia**

Africans in school often get bullied by African Americans, this is not something that new or shocking but it is a conversation that needs to be had. When you look at American media in general and even go on to look at how American curriculum teaches what the African continent is like they never do us any justice.

**Africans Vs. African-Americans**

African American sees end of life care as a celebration rather than end of their lives. End of life is viewed as a resting phase of life. African Americans have a strong trust in the kinship support system at the end of their lives.
