Screening Guidelines. The American Cancer Society (ACS), ASCCP, and the American Society for Clinical Pathology (ASCP) have released guidelines for the prevention and early detection of cervical cancer. The guidelines generally advise a reduction in the number of tests women get over their lifetime to better ensure that they receive the benefits of testing while minimizing the harms, and include a preference for co-testing using the Pap test and HPV test for women age ages 30 to 65.

Guidelines - ASCCP

The ASCP Board of Certification (BOC) is the gold standard in global certification for medical laboratory professionals and has certified more than 570,000 individuals.
