Behind The Mask Bond

Dr. Bob Shushan is an overworked and absent father who runs a centre for the mentally and physically challenged. When Shushan suffers a heart attack, his life is saved by James Jones, a young patient at the center. The two men forge a friendship and help each other rekindle the father-son bond that has been missing in their lives.

New Safin Mask Keyring And Magnet | James Bond 007

Behing the Mask Many reviewers dislike that religion appears in the movie. Got news for them: at the time, being non-religious was unimaginable; it would have made you into social outcasts. Also, it was an ideology that maintained law and order, besides giving people hope for the better. None of those abide in out time.

Behind the Mask is the fifteenth studio album by British-American rock band Fleetwood Mac, released on 9 April 1990. It was the first album released by the band after the departure of guitarist Lindsey Buckingham. He was replaced by Billy Burnette and Rick Vito, both guitar players, singers and songwriters. Fleetwood Mac thus became a six-piece band with four singer/songwriters.
