Living Beyond The World In Self-Love - Universoul Awakening
Love, however, from beyond the personality and your mind is indefinable. It is consciousness which is your internal reality, or your awareness of absolute existence. This inward reality that is consciousness is not of the physical world, but it projects from inward to outward, from beyond the world, and shines down upon the world.

6 Things You Can Do For Self-healing - Beyond Conscious
We are currently living in a world full of conflict and crisis. That is why self-healing needs to be on your to-do list as one of the most important things.

Self & Beyond
By only prioritizing self-care, and neglecting to try self love, I was doing the same thing to myself. I was convincing myself that all my needs were being met because I was going above and beyond to make myself feel good through treats and rest and bubble baths, but I wasn't getting to the true root of the problem.

Beyond Self Love – The New Frontier - Soul Mastery
Hauck discourages individuals from rating themselves and encourages self-acceptance, skills improvement, and gaining respect from others. He advises people to only rate what they do, and to break the 'bad habit' of negative thinking. Overcoming the Rating Game: Beyond Self-Love Beyond Self-Esteem (9780664253103) by Paul A. Hauck

Overcoming the Rating Game: Beyond Self-Love Beyond Self ...
It is well written and short (100 pages) which helps in focusing on the development of the message. I think Hauck's presentation of the topic is sound and realistic. It includes many good examples from his work with clients. He makes it clear why self-acceptance is the thing to achieve rather than self-esteem.

Believing in Yourself: The Step Beyond Self-Love. Simply put: believing in yourself grounds hope into action. I have written several blogs about the importance of self-love as a strong foundation to grow straight and tall as a beautiful human expression. Self-love is a High Frequency expression that creates a powerful positive presence in one ...

Believing in Yourself: The Step Beyond Self-Love
Converging and diverging views on the mind, the self, consciousness, the unconscious, free will, perception, meditation, and other topics. Buddhism shares with science the task of examining the mind empirically; it has pursued, for two millennia, direct investigation of the mind through penetrating introspection. Neuroscience, on the other hand, relies on third-person knowledge in the form of ...

Beyond the Self | The MIT Press
This is one of the paradoxes that the mind can't grasp. In conclusion, not everything we give, comes back right away. Patience is the key and self-love helps immensely. Also, transcending to unconditional love or true love beyond time and self or receiving wisdom about these mystics will help even more.
