Confessions Of A Radical Industrialist

Anyone who thinks that business leadership on environmental sustainability is an oxymoron must read Confessions of a Radical Industrialist. In a humble, inspiring and informative manner, Ray Anderson describes his own journey to not just tweak the edges of his business towards green goals but to fundamentally re-think and re-design every aspect of its operations to respect environmental limits.

Confessions of a Radical Industrialist: Profits, People ...

He may be 'radical' but he's also a profit-seeking businessman. Confessions tells an amazing first-hand story of a personal and business transformation, a journey from being a cold-eyed capitalist to being...a cold-eyed capitalist, but just with a much larger perspective on what profitable really means.
