We will dive into body language and active listening below, but before we do, it's good to be mindful of the basics. To be an effective communicator, you should approach with confidence, clarity, open-mindedness, and empathy.

3 Effective Communication Skills to Increase Your Confidence

Download Free Confident Conversation How To Communicate Successfully in Any Situation

You need to stay focused on the moment-to-moment experience in order to pick up the subtle nuances and important nonverbal cues in a conversation. If you find it hard to concentrate on some speakers, try repeating their words over in your head—it'll reinforce their message and help you stay focused. Favor your right ear.

During a conversation or presentation, it is important to look into the other person's eyes if possible and maintain contact for a reasonable amount of time. Take care not to overdo it.- Use just as much eye contact as feels natural, about 2-4 seconds at a time. Remember to take in all of your audience.
