is in the public domain,  
so most of the  
variations are just with  
formatting and the  
number of illustrations  
included in the work.  
However, you might  
also run into several  
copies for sale, as  
reformatting the print  
copy into an eBook still  
took some work. Some  
of your search results  
may also be related  
works with the same  
title.
