Evidence law is the branch of law concerned with the rules and methods by which evidence is admitted and used in a legal trial. These rules set out what type of evidence can be admitted for consideration by a judge or jury in a trial. Evidence law also concerns the type of objections that can be raised to certain

and legal principles that govern the proof of facts in a legal proceeding. These rules determine what evidence must or must not be considered by the trier of fact in reaching its decision. The trier of fact is a judge in bench trials, or the jury in any cases involving a jury. The law of evidence is also concerned with the quantum, quality, and type of proof needed to
