From general purpose methods such as optimized pocketing to highly specialized toolpaths like 5-axis turbine cutting, with Mastercam Mill, your parts are produced faster, with greater accuracy, quality, and repeatability. Many of the products we use every day are made with the help of Mastercam Mill.

Mill Programming Software Solutions | Mastercam Products

CNC Software, Inc (MasterCAM) used to have a "Post Processor User Guide". My issue is now twenty years old; it was a couple years out of date when I bought it from MasterCAM, but was current for the posts then in use. It was useful for allowing me to modify their generic Fanuc post for the Centroid mill control I run.

Post Processor Editing Class - Practical Machinist

Mastercam 2020 and above uses a merged shared data folder that is by default located "C:\Users\Public\Documents\Shared Mastercam 2020". Users that share files across multiple computers will likely see a server path so the files are shared across multiple installations.
