My First Book of Sign Language by Joan Holub (2004, Trade ...

Title of the Book is My First Book of Sign. The cover looks great, but from the 1st page to page 15 of a 75 page book, it has a bad water/mildew stain about 3" in diameter. So, I'm not really happy. I've bot several times from Amazon an this is the first time I've been disappointed. Sincerely.

Amazon.com: Customer reviews: My First Book of Sign

good book. bought for my 4 year old. she likes it too. abc are taught on each page with a couple of words with each letter. a few pages in back are for useful signs like please and thank you. a few signs are unclear to me as to the exact way to do them because the hands just have wiggley lines instead of arrows like most of them. overall good beginner book for young child.
