Heart of Stone is the first quest in the Elder God quest line. It involves Xenia, a well-known hero, who has stolen a spell that can bring the Abyss into Gielinor, and it is up to another hero to stop her, with the aid of a rune golem created by Ariane. The quest leads the heroes through sites connected with the Elder Gods, and is the beginning of unlocking their mysteries.

When should I start Heart of stone? ... The ending sequence kind of built up a momentum towards the end and I feel like it's better to get resolution on that buildup. Then afterwards start on HoS, as it is its own narrative arc -- completely separate and entirely self-contained. It's kind of like a side "short story" compared to the main quest ...
