### The Substantive Law Of The

Substantive law is a type of law that handles the legal relationship between individuals, or between individuals and the state. Substantive law differs from procedural law , in that it defines people’s rights and responsibilities.

### Substantive Law - Definition, Examples, Cases, Processes

Substantive law is the set of laws that governs how members of a society are to behave. It is contrasted with procedural law, which is the set of procedures for making, administering, and enforcing substantive law. Substantive law defines rights and responsibilities in civil law, and crimes and punishments in criminal law.

### Substantive law - Wikipedia

Substantive law refers to all categories of public and private law, including the law of contracts, real property, torts, and Criminal Law. For example, criminal law defines certain behavior as illegal and lists the elements the government must prove to convict a person of a crime.

### Substantive Law legal definition of Substantive Law

Substantive law is the aspect of law that defines and regulates the rights of individuals and legal entities. It is one of the two main categories within the law with procedural law being the other. Substantive law takes into account what is right and wrong, and embodies the idea that committing a wrong will result in some type of penalty against the wrongdoer as described under the law.
