Tube Forgings Of America Inc

Tube Forgings of America, Inc. (TFA) has been manufacturing welding fittings since 1955. We are consumed with the desire to be our industry's absolute leader in customer service.

Tube Forgings of America, Inc.

When Tube Forgings of America, Inc. (TFA) opened its doors in 1955, there were over twenty five fittings manufacturers in the USA. Today, after many decades of industry consolidation and changing customer preferences, there are only a few manufacturers left in the country. TFA continues to be the recognized industry leader in customer service and is overwhelmingly preferred by many of the major distributors and end users that service the energy industry.
