How can water be used to cure diseases and what kind of diseases? I used Hado (vibrational) measuring device called MRA which can measure negative emotional vibration that a human has and when it is detected, opposite vibration can be added to the water and by drinking that water, the negative feeling will go away.

Dr Masaru Emoto on Human Consciousness and Water

Add to this the fact that water is an excellent conductor of sound (the sound waves are longer and run 4.5 times faster through water); that the human body is about 66% water and the brain 80% water, then we can see how well our organism can relate to the sound vibration and respond to its stimuli.
