Love these women who put this magical spiral calendar together each year. Perfect size for desk and yet can be carried in gear bag or large purse. I accidently ordered refill (no spiral binding), but staples can fix that for just under \$5. Will make sure I order spiral binder each year. Love this product and it makes for a nice gift too.

It's been a few years since I got a We'Moon planner; top quality improvements with the spiral binding and lots of color. I really look forward to turning the pages in here; it adds magic, awareness, art, ritual, beauty, multiculturalism and values to my day and shifts where I'm seated to a more woman-centered, nature-conscious perspective.
